

CREATING A CULTURE OF MISSIONS

ESM 2021

ESM is running headlong into an amazing new year!

MISSIONARY GROWTH: This year Roy & I look forward to increasing our ESM footprint by fostering new groups across the US to build their own teams in order to serve missionaries from their respective churches or regions thereby increasing the number of missionaries touched by humanitarian help. Our website will continue to be updated with new resources & training links as well as The Learning Center for all missionaries.

ESM is also beginning a project to network short term focus teams with overseas missionaries & ministries.

TEAM GROWTH: Roy & I are proud to announce our 2021 leadership, Susan Woods, Carolyn Peterson & Mechelle Smith, who are the front-runners of our teams, the Blessing Barn and the fundraising. We start our new Blessing Barn hours in January: weekly at 11am & bi-weekly at 5PM.

We will also work to increase out-of-town & at-home volunteers donating their time sewing, making love notes & sewing kits or collecting items from home.

ESM would like to set up 4 collection boxes in the city to accommodate those donating material products.

JANUARY 2021 –

MISSIONARY FOCUS: EDEN'S SONG MINISTRY

Looking back I can remember Roy, Donna & I sitting around the coffee table in our Las Vegas living room dream-building & praying about what God meant to have us do as a ministry. I remember the first iPod Roy refurbished (with the help of iPods for Dummies) to donate to the one missionary we knew!

Our first new beginning! And it grew.

We moved to Lewiston! I remember our first Mid-Wife kit, our first team & the first school backpack. And it grew.

I remember our first computer center for a new center in Uganda that has now expanded into 25 acres of goodness for the community.

Every year...it grew.

This year is our 15th year!! We now partner with many missionaries around the world reaching into over 60 countries with our Kits & Electronics. Last year we increased our website to offer Humanitarian & Training resource links while Roy added a Learning Center for our overseas missionaries. God has been so good to us, fulfilling every dream and beyond.

YOU are the reason we are able to fulfill so many needs. Even during this challenging year you chose to donate generously into the lives of our hero's on the field & those they were called to serve. You have sent 1500 children to school with the supplies they need, started 5 new computer centers for orphans to do their school work & helped over 500 midwives deliver a child safely in villages around the world. You gave Pastor's & Leaders the opportunity to connect with the world through laptops, Fire's, iPods and phones. You also kept over 150 young girls in school throughout the year by helping us provide Washable Feminine Hygiene Bags. Through our programs, you build 6 widows a home, sent 8 boys to high school and provided micro loans to start businesses in Uganda.

JOIN THE TEAM

Our local Team is a mission-focused group of people in love with serving others by providing humanitarian help through collecting, assembling, packing & shipping School Backpacks, Mid-Wife Kits, Women's Gift Bags & other assortment of Kits. This team meets every Thursday at 11am and/or every other Thursday at 5:00pm in Asotin.

Another facet of our MM Team is the Sewing group providing Washable Feminine Hygiene Bags, baby blankets, dolls & drawstring bags as well as Crochet & Knitters making baby hats & booties. This team works on their own but also meets monthly in Lewiston.

Media products are huge for our missionaries. If you are into computers, join Roy in connecting missionaries with the world around them.

We also appreciate donated laptops or flat screen monitors.

Our At Home Teams volunteer from home or through church groups sewing, knitting or making sewing kits & love notes. Or set up collection boxes at your church, school or workplace to gather school supplies!

ESM's *Out of Town Teams* also help through sewing, collecting items or making love notes to ship to us!! Or start you own ESM Team!!

MEET OUR TEAMS

MISSION'S MINDED TEAM:

Our local team boasts of an amazing group totally in love with God & Missions. From age 7 to 80, each person is committed to praying over every kit as they meet weekly at 11am or bi-monthly at 5pm in order to serve the missionaries & through them the people they serve on the field by working together to assemble our School Backpacks, Mid-Wife or Specialty kits.

MEET OUR 21021 LEADERS:

Mechelle Smith - Team Production
Susan Woods - Team Builder & Liaison.
Carolyn Peterson - Director of Fundraising.
Faith Linaerfelt - Website

MEDIA TEAM:

Along with being founder & President of ESM, Roy Killian also buys, refurbishes & packs all the electronics we ship out each year. He also developed & maintains a Learning Center for the Missionaries offering them the ability to listen to a plethora of training conferences, bible studies sermons & more.

It is a full-time job that Roy loves to continue providing missionaries with iPods filled with worship music, auditory Bible & even old radio show Readers with a starter library, Computer Stations with licensed software, educational games, MS Office & laptops to keep Pastor's & Ministry Leaders on the road.

SEWING TEAMS:

We so appreciate the many dear women who sew, knit or crochet for us from home or through their church groups keeping ESM stocked with baby blankets, booties & hats for our Mid-Wife kits as well as the drawstring tote bags, dollies & teddies for our school backpacks. Because of you ESM is able to wrap close to 100 babies in comfort.

FEMININE HYGIENE KITS:

Toby, Peggy & Heather are integral in providing school girls around the world the opportunity to continue their yearly education by sewing from home & meeting once a month to cut, sew & assemble the close to 400 washable Feminine Hygiene Kits they make annually.

FROM HOME: Along with our 'at home' sew teams, we are grateful to those collecting electronics, grooming & school supplies for our school backpacks & "Mama Gift Bags" given in the Mid-Wife kits. Also a huge thank you to those that create sewing kits, "Love Notes" for each kit, baby toys & so much more!

ROMA BORDERS: Thank you for the specialty women's gift bags for widows & teachers around the world.

OUT OF TOWN:

THREADS OF LOVE: Thank you for providing amazing baby outfits, sock dolls, blankets, booties & hats for us.

MAGGIE LINGERFELT: Thank you for blessing ESM by sewing dolls, tote bags & blankets for us!

GIRLS DEFINED: Thank you to the Astoria youth group of girls who make us hundreds of sewing kits to give as gifts for new Mama's.

STEVE DALMAN: Thank you to our AMAZING Toymaker providing wooden toys, necklaces & other goodies!!

CREATE A CULTURE OF MISSIONS BECOME A MISSION'S MINDED TEAM

ESM is looking for ministry partners around the country to develop independent teams to take up our charge of Serving Those Serving Others. This team would choose kits to make & ship for your churches short-term missionaries traveling overseas.

Or, if you would rather, choose one of our on-going projects to develop a team around & collect, sew or assemble items for us. We will provide shipping to our missionaries from where you are.

Contact Debi at edenssong@gmail.com to discuss any details.

YOUR PARTNERSHIP:

Allows Eden's Song to continue providing to the thousands of widows & kiddo's around the world each year through our amazing missionaries. So how can YOU become an ESM Partner?

PARTNER THROUGH MONTHLY GIVING

Every amount given monthly goes toward the purchasing of items for our kits or electronics. None is used toward administration or travel costs.

PARTNER THROUGH PRODUCT DONATIONS

Your product donations allows ESM to use that money on other needed items.

PARTNER THROUGH PRAYER

Your prayers are vital. Please never stop!
